

GROUP PHOTO DETAILS

On **Tuesday, November 3, 2026** all Vibe groups are scheduled for our group photo shoot. There will be no regularly scheduled classes this evening to accommodate all photos.

Venue. FootNotes Dance Studio

Group Arrival Schedules.

5:00 Bravo

5:20 Ovation

5:40 Nova

6:10 Premier

6:30 Elite

7:00 Seniors

NOTE: The photographer also requires that ***no parents take photos DURING each of the group Photo shoots.*** It is OK for moms to take photos of the dancers before or after your groups shoot Time.

Photography Cost. Based on the success of Showcase and the support of our business partners last year, The Vibe will cover the cost of group photos!

What To Wear. Each team will wear a combination of RED & BLACK DANCEWEAR. A red top & red bottom combo is okay if it's a matching set but please NO all black sets. The top and bottom do not have to match but MUST be a solid (no embellishments in a different color, no graphics, verbiage or name brands visible, and no patterns, solid colors only).

Outfit examples and color shade combinations shown in photos below:

Moms: Please take a picture of the outfit your dancer plans to wear (this needs to be done by **Tuesday, October 27th** end of day). Please send the picture of the outfit to your group's Group Mom. She will compile all pics and send to Cheryl for review. If there are any issues with your dancer's outfit, Cheryl will be in touch with you.

Shoes. Wear comfortable shoes that are easy to remove. Dancers will be photographed with no shoes on (bare legs and/or bare feet).

Make-up. All dancers are requested to wear makeup.

- The makeup should not be as heavy as competition makeup, but Cheryl is looking for **more than** a "natural glow." Makeup should be blush, eye shadow, mascara and lipstick (NOT just lip gloss...please use a real color on lips so that your dancer's lips can be seen in the photo) at a minimum, so that your facial features are accentuated.
- **If you have questions on makeup, please ask your Group Mom so that you are sure to be prepared.**
- **Please remove all fingernail polish, toenail polish and jewelry.**

Hair. Your dancer should wear her hair down with a center part with wavy, loose curls

- Hair must be parted down the center
- Hair must be curled away from the dancers face. Hair can not be hanging down in the dancers face or eyes. Any dancer that has hair covering their face will have to pull it up prior to pictures being taken.
- **MUST HAVE:** Curls, and they should be wavy, loose/soft curls (think beach waves)
- Please review and ask all questions (ask your Group Mom, and if she can't assist, she will get another person involved) **BEFORE** the photo shoot
